“The experience at WHU was the most precious time in my life. I got to know a lot of nice people who are German students and exchange students from all over the world. We shared a great time such as studying for case studies and exams, taking parties, cooking, drinking and traveling together. I wish I could have stayed longer at WHU.”

“My study abroad experience at WHU was phenomenal! WHU has a tight and vibrant community that really makes a person feel welcome and at home. Small class sizes, helpful professors, outstanding facilities and an international perspective provide a great academic environment. The central location of WHU in Germany also makes it easy to explore the rest of Europe. You can't go wrong choosing WHU.”
