Die WHU verfügt über ein einzigartiges Kooperationsnetz mit über 180 Partnerhochschulen auf allen Kontinenten. Keine andere deutsche Hochschule unterhält auch nur annähernd so viele aktive und qualitativ hochwertige Partnerschaften wie die WHU.

Auslandserfahrungen sind ein wichtiger Bestandteil der ganzheitlichen Management-Ausbildung an der WHU. Das Auslandsstudium vertieft die Kenntnisse anderer Lehrmethoden und Kulturen und fördert Flexibilität und Mobilität. Bei der Auswahl unserer Partnerhochschulen legen wir besonderen Wert auf die Qualität der Partner. So kooperiert beispielsweise die Hälfte der 30 Top Business Schools der USA – und das zumeist für Deutschland exklusiv – mit der WHU.

Unser Kooperationsnetz ist die Grundlage für das im Rahmen des Bachelor- und Master-Programms durchgeführte Austauschprogramm. Im Gegenzug studieren jeweils rund 110 Gaststudierende der Partneruniversitäten für ein oder zwei Semester an der WHU.

WHU has a unique partnership network with more than 180 partner universities on every continent – no other German university-level institution even comes close to enjoying so many active and high-quality partnerships.

International experience is a crucial element of integrated management training at WHU. By taking a broader perspective it is possible to improve knowledge about other teaching methods and cultures thus promoting more flexibility and mobility. We place particular emphasis on quality when selecting our partner universities reflected, for example, in the fact that we have established cooperative arrangements with half of the 30 top business schools in the USA – the majority of these arrangements being exclusive within Germany.

This cooperative network forms the basis of the exchange program, which is an integral part of our Bachelor and Master Program. On the other hand, WHU hosts about 110 guest students from partner universities for up to two semesters.

The experience at WHU was the most precious time in my life. I got to know a lot of nice people who are German students and exchange students from all over the world. We shared the great time such as studying for case studies and exams, taking parties, cooking, drinking and traveling together. I wish I could have stayed longer at WHU.

Yui Kamikama, Keio University, Faculty of Business and Commerce, Japan

WHU offers its students an exciting and challenging curriculum. The daily coursework and class discussions continually push students out of their comfort zones, and the frequent in-class presentations require students to synthesize their learnings and defend their ideas. Exchange students are welcomed as part of the WHU community from their first day on campus.

Michael Joyce, Dartmouth College, Tuck School of Business, USA
