## Die Partneruniversitäten der WHU Partner Universities of WHU

Die WHU verfügt über ein einzigartiges Kooperationsnetz mit 150 Partnerhochschulen auf allen Kontinenten. Keine andere deutsche Hochschule unterhält auch nur annähernd so viele aktive und qualitativ hochwertige Partnerschaften wie die WHU.

Auslandserfahrungen sind ein wichtiger Bestandteil der ganzheitlichen Managementausbildung an der WHU. Das Auslandsstudium vertieft die Kenntnisse anderer Lehrmethoden und Kulturen und fördert Flexibilität und Mobilität. Bei der Auswahl unserer Partnerhochschulen legen wir besonderen Wert auf die Qualität der Partner. So kooperiert beispielsweise die Hälfte der 25 Top Business Schools der USA – und das zumeist für Deutschland exklusiv – mit der WHU.

Unser Kooperationsnetz ist die Grundlage für das im Rahmen des Bachelor- und Master-Programms durchgeführte Austauschprogramm. Im Gegenzug studieren jeweils rund 100 Gaststudierende der Partneruniversitäten für ein oder zwei Semester an der WHU.

WHU has a unique partnership network with 150 partner universities on every continent – no other German university-level institution even comes close to enjoying so many active and high-quality partnerships.

International experience is a crucial element of integrated management training at WHU. By taking a broader perspective it is possible to improve knowledge about other teaching methods and cultures promoting flexibility and mobility. We place particular emphasis on quality when selecting our partner universities reflected in the fact, for example, that we have established co-operative arrangements with half of the 25 Top Business Schools in the USA – the majority of these arrangements being exclusive within Germany.

This co-operative network forms the basis of the exchange program, which is an integral part of our Bachelor and Master programs. On the other hand, WHU hosts some 100 guest students from partner universities for up to two semesters.
