Evaluation of the Applications

The Admissions Team will regularly evaluate the received applications. Depending on the case, successful candidates will receive an invitation to the selection process.

Selection Process

The Rolling Admissions are individual Admission Rounds, which are only offered to selected applicants with very good school grades. If you have already provided your Proof of English Proficiency, your chances of being considered for the Rolling Admissions are considerably higher. If your application does not meet the criteria for Rolling Admissions, you may still be invited to Round 1. Alternatively you can also apply directly for the Admission Round 1, 2 or 3. All Admission Rounds contain the same steps, and the information about deadlines and dates can be found on our website.

Step 1

Written Test

Mathematical and logical tasks

Online Assessment

Presentation as well as questions based on the presentation, motivation and personality

Step 2

Final Interviews

Successful candidates will be invited to the online interviews

Study Offer

Around one week after the interviews you will find out the results of the Admission Round.

We recommend all applicants to apply early. It is not possible to repeat the selection process in the same year. Applicants can only apply twice for a Bachelor at WHU.

Preparation tip: On our website you find a demo version of our written test. Take this chance to prepare yourself for the test! Please note that we do not recommend any preparation courses for our selection process. All application tips and preparation material is provided by the Admissions Team via email or at WHU's website.
