To undergo our Excellent Fit Assessment, candidates must fill the "WHU Full-Time MBA Excellent Fit Assessment" including supporting documentation of the required criteria alongside their application documents for a seat in the program. The Admissions Committee will provide feedback after completing the admissions process.

We holistically assess each candidate's profile for a final decision on admittance to the WHU MBA program. Excellent Fit Assessment, or GMAT and GRE scores, are not the only deciding factors. Thus, proof of excellency and fit, or standardized test scores per se, do not predetermine the final admission result.

To benefit from our Early Bird Deadline, candidates must submit their application documents (including CV, University diploma and transcripts) by the given Early Bird Deadlines. The respective tuition reduction can only be granted when all documents are complete.
